About Company

Bee Driver, a professional entity specializing in Ground Passenger Transportation Services, has steadfastly developed and asserted its leading position in Vietnam since its establishment in early 2008. With over 16 years of operation, we take pride in extending the Bee brand across 21 provinces and municipalities nationwide.

Bee Driver strives to persistently work towards becoming the foremost transportation partner, accompanying the development of our valued customers and the nation of Vietnam. With more than 2,500 vehicles, we are proud to serve more than 5,500 trips every day throughout the country, contributing to the energy flow of Vietnam.

Monthly Rental Agreement

For customers who frequently go on business trips or travel for an entire month or longer, a monthly rental agreement is suitable. This type of contract provides flexibility as you have a private driver. We offer discounted rates compared to short-term rentals.

Short-Term Rental Services

This is a rental service for a short duration, typically ranging from a few hours to a few days. When booking a car, our consultants will advise you on suitable cars and estimate prices for packages without hidden fees. It's the perfect option for airport transfers, city tours, out-of-town travels, golf outings, and more.

Corporate Fleet Agreement

To save on investments in buying cars, maintenance, and management, some businesses choose fleet agreements with Beedriver to provide vehicles for their employees. These contracts often include provisions for maintenance, insurance, and other specific requirements tailored to the business's needs.

Airport Transfer Rental

My flight was delayed beyond the expected time. I was afraid of cancellation, but fortunately, the car arrived just as I finished collecting my luggage. Luckily, no waiting.
